The above petition and change of status have been approved. The status of the named foreign worker(s) in this classification is valid as indicated above. The foreign worker(s) can work for the petitioner, but only as detailed in the petition and for the period authorized. Changes in employment or training may require you to file a new Form I-129 petition. Since this employment or training authorization stems from the filing of this petition, separate employment or training authorization documentation is not required. Please contact the IRS with any questions about tax withholding.

The petitioner should keep the upper portion of this page; the lower portion should be given to the worker. He or she should keep the right part with his or her Form I-94 Arrival/Departure Record. The I-94 portion should be given to the U.S. Customs and Border Patrol when he or she leaves the United States. The left part is for his or her records. A person granted a change of status who leaves the U.S. must normally obtain a visa in the new classification before returning. The left part can be used in applying for the new visa. The petitioner may also file Form I-824, Application for Action on an Approved Application or Petition, to request that we notify a consulate, port of entry, or pre-flight inspection office of this approval.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible to apply for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA NOR MAY IT BE USED IN PLACE OF A VISA
