Asylum Approval

Dear M [REDACTED]:

As of 5/04/15, you have been granted asylum in the United States pursuant to section 208 of the Immigration and Nationality Act (INA). Your derivative family member(s) listed above – who are present in the United States, who were included in your asylum application, and for whom you have established a qualifying relationship – are granted derivative asylum. Enclosed with this letter you will find a completed Form I-94, *Arrival-Departure Record*, for you and each of your derivative family members listed above. Please retain this document.

Asylum is authorized for an indefinite period, but asylum status does not give you the right to remain permanently in the United States. Asylum status may be terminated pursuant to section 208(c)(2) of the INA if you no longer have a well-founded fear of persecution because of a fundamental change in circumstances, you have obtained protection from another country, or you have committed certain crimes or engaged in other activity that makes you ineligible to retain asylum status in the United States.

Now that you are an asylee, you may apply for certain benefits listed below. You are responsible for complying with applicable laws and regulations explained in this letter. In addition to your Form I-94, *Arrival-Departure Record*, we recommend that you retain the original of this letter as proof of your status and that you submit copies of this letter when applying for any of the benefits or services listed below.

You may obtain any of the U.S. Citizenship and Immigration Services (USCIS) forms mentioned in this letter on the USCIS website at www.uscis.gov, through the National Customer Service Center at 1-800-375-5283, or at a local USCIS office.
